SUPPLEMENTARY INFORMATION:
Recission of New Shipper Review

On December 30, 2013, the Department initiated a new shipper review of Requestor, and on February 4, 2014, Requestor withdrew its new shipper review request. 19 CFR 351.214(f)(1) provides that, the Department may rescind a new shipper review if the party that requested the review withdraws its request for review within 60 days of the date of publication of the notice of initiation of the requested review. Given that Requestor timely withdrew its request for a new shipper review, the Department is rescinding the new shipper review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip from the PRC with respect to Requestor. Consequently, Requestor will remain part of the PRC-wide entity.

Assessment
Requestor remains under review in the ongoing administrative review covering the 2012–2013 period of review (POR) as part of the PRC-wide entity. Therefore, the Department will not order liquidation of entries for Requestor. The Department intends to issue liquidation instructions for the PRC-wide entity, which will cover any entries by Requestor, 15 days after publication of the final results of the ongoing administrative review covering the 2012–2013 POR.

Cash Deposit
The Department will notify U.S. Customs and Border Protection (“CBP”) that bonding is no longer permitted to fulfill security requirements for subject merchandise produced and exported by Requestor that is entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this recission notice in the Federal Register. The Department will notify CBP that a cash deposit of 76.72 percent should be collected for all shipments of subject merchandise by Requestor entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this rescission notice.

Notifications to Interested Parties
This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. This notice also serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this recission and notice in accordance with sections 751(a)(2)(B) and 777(f)(i) of the Act and 19 CFR 351.214(f)(3).

Dated: June 2, 2013.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

The Department is conducting this countervailing duty investigation in accordance with section 701 of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at http://iaaccess.trade.gov, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frr/index.html. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Determination and Suspension of Liquidation

In accordance with section 733(d)(1)(A)(i) of the Act, we determine separate subsidy rates for the individually-investigated producers/exporters of the subject merchandise, Wuxi Suntech Power Co., Ltd. and its cross-owned companies and Changzhou Trina Solar Energy Co., Ltd. and its cross-owned company. We also calculated an all-others rate. In accordance with sections 703(d) and 705(c)(5)(A) of the Act, for companies not individually investigated, we apply an “all-others” rate, which is normally calculated by weighting the subsidy rates of the individual companies selected as mandatory respondents by those companies’ exports of the subject merchandise to the United States. Under section 705(c)(5)(A)(i) of the Act, the all-others rate should exclude zero and de minimis rates calculated for the exporters and producers individually investigated as well as rates based entirely on facts otherwise available. Where the rates for the investigated companies are all zero or de minimis, or based entirely on facts otherwise available, section 705(c)(5)(A)(ii) of the Act instructs the Department to establish an all-others rate using “any reasonable method.” Notwithstanding the language of section 705(c)(5)(A)(i) of the Act, we have not calculated the “all-others” rate by weight averaging the rates of the two individually investigated respondents, because doing so risks disclosure of proprietary information. Therefore, and consistent with the Department’s practice where such risk exists, for the “all-others” rate, we calculated a simple average of the two responding firms’ rates.

The overall preliminary subsidy rates are summarized in the table below:

<table>
<thead>
<tr>
<th>Company</th>
<th>Subsidy rate (%)</th>

<tr>
<td>Wuxi Suntech Power Co., Ltd.</td>

</tr>
<tr>
<td>Changzhou Trina Solar Energy Co., Ltd.</td>
<td>18.56</td>
</tr>
<tr>
<td>All Others</td>
<td>26.89</td>
</tr>
</tbody>
</table>

In accordance with sections 703(d)(1)(B) and (d)(2) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of certain solar products from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the Federal Register, and to require a cash deposit
