Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, from the People’s Republic of China: Preliminary Results of Countervailing Duty Administrative Review; 2012; and Partial Rescission of Countervailing Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty (CVD) order on crystalline silicon photovoltaic cells, whether or not assembled into modules (Solar Cells), from the People’s Republic of China (PRC). The period of review (POR) is March 26, 2012, through December 31, 2012. This review covers multiple exporters/producers, two of which are being individually reviewed as mandatory respondents. We preliminarily determine that Lightway Green New Energy Co., Ltd. (Lightway), Shanghai BYD Co. Ltd. (Shanghai BYD) and its cross-owned affiliates received countervailable subsidies during the POR. Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: Insert date of publication in the Federal Register.

SUPPLEMENTARY INFORMATION:

Scope of the Investigation

The merchandise covered by this investigation is crystalline silicon photovoltaic cells, and modules, laminates, and panels, consisting of crystalline silicon photovoltaic cells, whether or not partially or fully assembled into other products, including, but not limited to, modules, laminates, panels and building integrated materials.\(^1\)

Methodology

The Department is conducting this countervailing duty review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, \(i.e.,\) a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.\(^2\) For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.\(^3\) The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).\(^4\) ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records

\(^1\) For a full description of the scope of the order, see “Decision Memorandum for the Preliminary Results of the Countervailing Duty Administrative Review of Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, from the People’s Republic of China” from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Paul Piquado, Assistant Secretary for Enforcement and Compliance (Preliminary Decision Memorandum), dated concurrently with these results and herby adopted by this notice.

\(^2\) See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and, section 771(5A) of the Act regarding specificity.

The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Partial Rescission of the 2012 Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. SolarWorld Industries America, Inc. (Petitioner) submitted the withdrawal of its review request within the deadline set forth under 19 CFR 351.213(d)(1). Therefore, in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this review of the countervailing duty order on solar cells from the PRC with respect to the companies listed in Appendix II. No other party requested a reviews of any of the companies listed in Appendix II. The review will continue with respect to the other companies for which a review was requested: the mandatory respondents Lightway and Shanghai BYD, and the remaning companies not selected for individual review, listed in Appendix III.

Companies Not Selected for Individual Review

For the companies not selected for individual review (see Appendix III), because the rates calculated for Lightway and Shanghai BYD were above de minimis and not based entirely on facts available, we applied a subsidy rate based on a weighted average of the subsidy rates calculated for Lightway and Shanghai BYD using publicly ranged sales data submitted by respondents.
Preliminary Results of Review

As a result of this review, we preliminarily determine the countervailable subsidy rates to be:

<th>Subsidy Rate (percent)</th>

<tbody>

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with this preliminary determination within five days of its public announcement.\(^7\) Interested parties may submit case and rebuttal briefs, as well as request a hearing.\(^8\) Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs.\(^9\) Rebuttal briefs must be limited to issues raised in the case briefs.\(^10\) Parties who submit case or rebuttal briefs are requested to submit with the argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.\(^11\)

Interested parties who wish to request a hearing, or to participate if one is requested, must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance’s ACCESS system.\(^12\) Requests should contain the party’s name,

Assessment Rates and Cash Deposit Requirement

In accordance with 19 CFR 351.221(b)(4)(i), we assigned a subsidy rate for each producer/exporter subject to this administrative review. Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of review.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties, in the amounts shown above for each of the respective companies shown above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final
