DYNAMIC HOSTING COMPANY LLC,

Plaintiff,

v.

HUAWEI TECHNOLOGIES USA INC.,

Defendant.

CIVIL ACTION NO. 2:14-cv-1147

ORIGINAL COMPLAINT
FOR PATENT INFRINGEMENT

JURY TRIAL DEMANDED

Plaintiff Dynamic Hosting Company LLC (“Dynamic Hosting”) files this original complaint against the above-named defendant, alleging, based on its own knowledge as to itself and its own actions, and based on information and belief as to all other matters, as follows:

PARTIES

1. Dynamic Hosting is a limited liability company formed under the laws of the State of Texas, with a principal place of business in Tyler, Texas.
2. Defendant Huawei Technologies USA Inc. (“Huawei”) is a corporation organized under the laws of TX with a principal place of business in Plano, TX. It can be served through its resident agent for service of process in Texas: C T Corporation System; 1999 Bryan St., Ste. 900, Dallas, TX 75201-3136.

JURISDICTION AND VENUE

3. This is an action for infringement of a United States patent arising under 35 U.S.C. §§ 271, 281, and 284–85, among others. This Court has subject matter jurisdiction of the action under 28 U.S.C. § 1331 and § 1338(a).

4. Venue is proper in this district under 28 U.S.C. §§ 1391 and 1400(b). Upon information and belief, defendant has transacted business in this district and has committed acts of patent infringement in this district.

5. Defendant is subject to this Court's specific and general personal jurisdiction under due process and/or the Texas Long Arm Statute due at least to defendant's substantial business in this forum, including: (i) at least a portion of the infringements alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to individuals in Texas and in this district.

KNOWLEDGE

6. This lawsuit involves, as will be further described below, infringement of U.S. Patent Nos. 5,826,026 and 6,216,156.

7. Defendant has or will have knowledge of the patents-in-suit at least of the filing date and/or service date of this complaint.

8. Defendant's infringement is willful at least as of the filing date and/or service date of this complaint.

COUNT I: INFRINGEMENT OF U.S. PATENT NO. 5,826,026

9. On Oct. 20, 1998, United States Patent No. 5,826,026 ("the 026 patent") was duly and legally issued by the United States Patent and Trademark Office for an invention titled "Internet Message Communicator With Direct Output To A Hard Copy Device."

10. Dynamic Hosting is the owner of the 026 patent with all substantive rights in and to that patent, including the sole and exclusive right to prosecute this action and enforce the 026 patent against infringers, and to collect damages for all relevant times.

11. Huawei made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale mobile phones with a visual voicemail app that connects over cellular networks (including, based on information on its or other websites, at least the following models: Summit, T-Mobile myTouch, T-Mobile myTouch Q, Ascend, Fusion 2, Impulse 4G) that directly infringed one or more claims of the 026 patent.

12. In addition, customers of Huawei used mobile phones with a visual voicemail app that connects over cellular networks (including, based on information on its or other websites, at least the following models: Summit, T-Mobile myTouch, T-Mobile myTouch Q, Ascend, Fusion 2, Impulse 4G), thus directly infringing one or more claims of the 026 patent.

13. Huawei induced the infringement of the abovementioned customers.

14. Huawei took active steps, directly and/or through contractual relationships with others, to cause infringement with both knowledge of the 026 patent and the specific intent to cause the abovementioned customers to use mobile phones with a visual voicemail app that connects over cellular networks in a manner that infringed the 026 patent. Such steps by Huawei included, among other things, advising or directing the abovementioned customers to use mobile phones with a visual voicemail app that connects over cellular networks in an infringing manner; advertising and promoting the use of mobile phones with a visual voicemail app that connects over cellular networks in an infringing manner; and/or distributing instructions that guide users to use the mobile phones with a visual voicemail app that connects over cellular networks in an infringing manner.

15. Huawei contributed to the infringement of the abovementioned customers.

16. The infringing mobile phones with a visual voicemail app that connects over cellular networks used by the abovementioned customers have hardware and/or software

components that are especially designed to be used with a visual voicemail functionality, and are especially designed to be used in an infringing way. These components in these mobile phones with a visual voicemail app that connects over cellular networks constitute a material part of the invention of one or more asserted claims of the 026 patent and are not staple articles of commerce suitable for substantial non-infringing use. These distinct and separate components are used only to carry out the visual voicemail functionality in an infringing way and not any other mobile phone functionality.

17. Dynamic Hosting has been damaged as a result of the infringing conduct by defendant alleged above. Thus, defendant is liable to Dynamic Hosting in an amount that adequately compensates Dynamic Hosting for such infringements, which, by law, cannot be less than a reasonable royalty, together with interest and costs as fixed by this Court under 35 U.S.C. § 284.

18. Dynamic Hosting and/or its predecessors-in-interest have satisfied all statutory obligations required to collect pre-filing damages for the full period allowed by law.

COUNT II: INFRINGEMENT OF U.S. PATENT NO. 6,216,156

19. On April 10, 2001, United States Patent No. 6,216,156 (“the 156 patent”) was duly and legally issued by the United States Patent and Trademark Office for an invention titled “Internet Message Communicator With Direct Output To A Hard Copy Device.”

20. Dynamic Hosting is the owner of the 156 patent with all substantive rights in and to that patent, including the sole and exclusive right to prosecute this action and enforce the 156 patent against infringers, and to collect damages for all relevant times.

21. Huawei made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale mobile phones with a visual voicemail app that connects over cellular

networks (including, based on information on its or other websites, at least the following models: Summit, T-Mobile myTouch, T-Mobile myTouch Q, Ascend, Fusion 2, Impulse 4G) that directly infringed one or more claims of the 156 patent.

22. In addition, customers of Huawei used mobile phones with a visual voicemail app that connects over cellular networks (including, based on information on its or other websites, at least the following models: Summit, T-Mobile myTouch, T-Mobile myTouch Q, Ascend, Fusion 2, Impulse 4G), thus directly infringing one or more claims of the 156 patent.

23. Huawei induced the infringement of the abovementioned customers.

24. Huawei took active steps, directly and/or through contractual relationships with others, to cause infringement with both knowledge of the 156 patent and the specific intent to cause the abovementioned customers to use mobile phones with a visual voicemail app that connects over cellular networks in a manner that infringed the 156 patent. Such steps by Huawei included, among other things, advising or directing the abovementioned customers to use mobile phones with a visual voicemail app that connects over cellular networks in an infringing manner; advertising and promoting the use of mobile phones with a visual voicemail app that connects over cellular networks in an infringing manner; and/or distributing instructions that guide users to use the mobile phones with a visual voicemail app that connects over cellular networks in an infringing manner.

25. Huawei contributed to the infringement of the abovementioned customers.

26. The infringing mobile phones with a visual voicemail app that connects over cellular networks used by the abovementioned customers have hardware and/or software components that are especially designed to be used with a visual voicemail functionality, and are especially designed to be used in an infringing way. These components in these mobile phones

with a visual voicemail app that connects over cellular networks constitute a material part of the invention of one or more asserted claims of the 156 patent and are not staple articles of commerce suitable for substantial non-infringing use. These distinct and separate components are used only to carry out the visual voicemail functionality in an infringing way and not any other mobile phone functionality.

27. Dynamic Hosting has been damaged as a result of the infringing conduct by defendant alleged above. Thus, defendant is liable to Dynamic Hosting in an amount that adequately compensates Dynamic Hosting for such infringements, which, by law, cannot be less than a reasonable royalty, together with interest and costs as fixed by this Court under 35 U.S.C. § 284.

28. Dynamic Hosting and/or its predecessors-in-interest have satisfied all statutory obligations required to collect pre-filing damages for the full period allowed by law.

JURY DEMAND

Dynamic Hosting hereby requests a trial by jury on all issues so triable by right.

PRAYER FOR RELIEF

Dynamic Hosting requests that the Court find in its favor and against defendant and that the Court grant Dynamic Hosting the following relief:

- a. Judgment that one or more claims of the 026 and 156 patents have been infringed, either literally and/or under the doctrine of equivalents, by defendant;
- b. Judgment that defendant account for and pay to Dynamic Hosting all damages to and costs incurred by Dynamic Hosting because of defendant's infringing activities and other conduct complained of herein;

- c. That defendant's infringement be found to be willful, and that the Court award treble damages for the period of such willful infringement under 35 U.S.C. § 284;
- d. A permanent injunction enjoining defendant and its respective officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringement of the 026 and 156 patents;
- e. Pre-judgment and post-judgment interest on the damages caused by defendant's infringing activities and other conduct complained of herein;
- f. A declaration by the Court that this an exceptional case and an award to Dynamic Hosting its reasonable attorneys' fees and costs in accordance with 35 U.S.C. § 285; and
- g. Other and further relief as the Court may deem just and proper under the circumstances.

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerk(s) in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.
- V. Origin.** Place an "X" in one of the six boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
